

## **PAY AS YOU GO IPL HS350 Professional**

MagicSkin introduce the new Pay As You Go IPL system. A new way to purchase the IPL machine that you need for your business today!

You purchase flashes on your machine though a smart card as you need them but to help with your budgeting you simply set up a monthly DD with *PaySmart* which pre-pays the flashes before you need them.

The good news is that once you have purchased 200,000 flashes the machine is yours to keep so you may have "purchased" your machine in less than two years.

- Purchase an initial 40,000 flashes for \$11,200 + GST
- Each flash costs you 28c
- The flash cost includes all replacement handles and lamps
- Once you reach 200,000 flashes the machine is yours to keep
- *PaySmart* DD at \$933.33 for easy budgeting
- Simply purchase new flash card as you need them
- Only available on MagicSkin Professional
- Includes 5 day training course for two at National College
